OCEAN Room

SIZE AND CAPACITY

Location	sqm	Height (metres)	Cocktail	Theatre	School	Banquet
Ocean Room	330	3,50	250 PAX.	300 PAX.	150 PAX.	200 PAX. with stage 220 PAX. without stage

The Palma Aquarium Ocean Room has been purposely built as an assembly and conference room and is used as a multifunctional space. This luxurious room is spacious, soundproof and is totally detached from the rest of the building with an independent access in the shape of a grand vessel bow. Its panoramic glass windows bestow natural sunlight and unveil breathtaking sea views. Fully equipped with a high tech projector and remote control screen, DVD-CD player, internet access, detachable stage, black out blinds and air conditioning, which are all state of the art and user friendly. This makes The Ocean Room at Palma Aquarium one of the most exclusive and superior venues in Mallorca to organise seminars, conferences or presentations.

NEPTUNO Room

SIZE AND CAPACITY

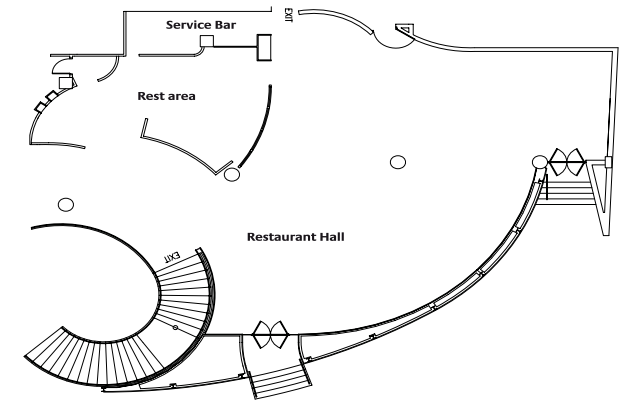

Location	sqm	Height (metres)	Cocktail	Theatre	School	Banquet
Neptuno	262	2,40 to 5	220 PAX.	-	-	120 PAX.

The Neptuno Restaurant is an open space reached through the Neptuno Hall, especially designed to hold cocktail parties and banquets. It affords magnificent views through big glass windows that are adjacent to the Neptuno Terrace. The Neptuno Restaurant is the perfect place to celebrate your choice of event whilst enjoying spectacular Mallorcan sunsets.

Our gastronomic offer is a tempting invitation to take a stroll amid our different culinary recommendations and taste from our traditional Mediterranean food to the more avant-garde suggestions. Our dishes are innovative, creative and are exquisitely elaborated.

If your choice is a banquet, the Neptuno Restaurant places round tables elegantly draped to mark the occasion or square tables decorated with illustrations of marine fauna. Parquet floors and high wooden vaulted ceilings bestow luminosity and a sense of ample space.

SHARK TANK Area

BIG BLUE Room

H₂O Room

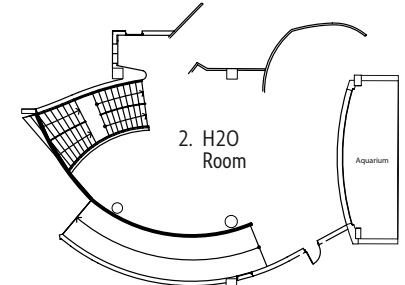

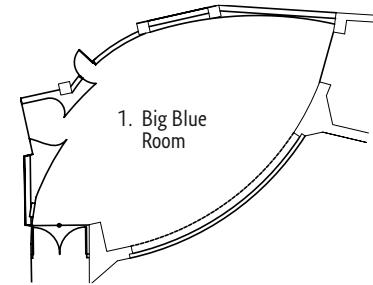

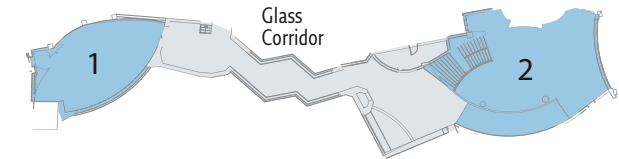

SIZE AND CAPACITY

Location	sqm	Height (metres)	Cocktail	Theatre	School	Banquet
Big Blue	109	3,10	140 PAX.	-	-	50 PAX.
H ₂ O	110	3,50	80 PAX.	-	80 PAX.	-

The big blue is the deepest shark tank in Europe and is the allocated area where special events and banquets are held, being the most exclusive and secluded space in PAQ.

This immense aquarium offers a tranquil underwater sanctuary characteristic of the deep seas. Its relaxed and soothing atmosphere makes a perfect place for any guest to de-stress and unwind. You will be hypnotised by the huge variety of beautiful fish and sharks who dominate the crystal sapphire blue water. Messages from a diver inside the tank can be delivered to your party, which is a superb way to surprise those present and make your communication poignant and memorable. Events in the Big Blue take place only in the evening under distinct and special lighting conditions accompanied by soft background music in harmony with this unique and intimate setting.

MEDITERRANEAN GARDENS

SIZE AND CAPACITY

Location	sqm	Height (metres)	Cocktail	Theatre	School	Banquet
Gardens	197	5	300 PAX.	-	-	220 PAX.

The joys of nature in all its splendour will add value and enjoyment to any celebration.

Palma Aquarium's This is a wide open space which can cater for formal events such as banquets or more informal occasions such as a cocktail party followed by dancing and music or even a barbecue.

The gardens can be accessed directly from the main road which makes transport, equipment delivery and the set up of your event much easier.

The Mediterranean Gardens has a capacity for up to 300 people for a cocktail and canapé services.
